Buying with Ageas – ask your broker about our award-winning service

You can trust us to deliver, right when it matters. When it comes down to it, we know you'll want to speak with someone who understands what's going on if you need to make a claim. That's why, day or night, if you call our claims team, we promise you'll speak to a real person – someone based in our offices, here in the UK.

Hello. We're Ageas.

Ageas – unbelievably personal

We work with over 5,000 individual insurance brokers in the UK, and they voted us 'Personal Lines Insurer of the Year' in 2021 and 2022. That means they trust us to create great policies.

We make it easier to understand what you're buying

Everyone hates the small print. But it is important to understand what we do and don't cover. Your broker will take the time to understand what it is you need to insure, and to explain exactly what our cover could provide. Our policies are comprehensive anyway, but if there's something special you need then we can help with that, too. Just speak to your broker.

We offer the products we'd want to buy ourselves

When we create an insurance policy, we ask our teams "would you buy this?" Prices must be fair – we never put them up just because there's a renewal – and we make sure every product offers a set of benefits or options that make sense in the real world.

And if you do need to make a claim?

Our award-winning claims service will be there to help you, night and day.

An award-winning service, right when it matters

Ageas is one of the UK's largest insurers. Time after time, we've proved we deliver the right support when things go wrong. Not just a rapid response, but real help – particularly if you or someone in your family is in a vulnerable situation.

That's the reason why our teams have won so many awards for customer service. Still, there's more to good insurance than trophies and titles.

Speak to your broker if you have any questions, or you'd like to find out more about Ageas.
