New car benefit

We will replace your car with one of the same make, model and specification if:

- your car is less than 12 months old;
- you are the first and only registered keeper (or the second registered keeper if the first registered keeper is a company we recognise as a main agent of the car's manufacturers); and
- your car has:
 - been stolen and not found; or

We will only replace your car if you and anyone else who has a financial interest in your car agrees.

If a replacement car which is the same make, model and specification as your old car is not available, we will pay you the price of your car, fitted accessories and spare parts as shown in the manufacturer's last United Kingdom price list, less any excess that may apply.

If we settle a claim under this section of the policy, your lost or damaged car becomes our property and you must send us its registration document (V5 or V5C).

Removing and delivering your car

If your car is in the United Kingdom and cannot be driven as a result of loss or damage which is covered under this policy, we will pay the cost of protecting it and taking it to the nearest suitable repairer. We will also pay the cost of delivering your car to you at the address shown in your schedule after it has been repaired.

Radio and audio equipment

This policy covers loss or damage to any radio or audio equipment permanently fitted to your car.

There is no limit on the level of cover for equipment in your car which was fitted by the manufacturer at the time the car was made.

We cover equipment not fitted to the manufacturer's specification up to the following limits:

- If you have comprehensive insurance the most we will pay is £500 after taking off the excess that applies to your claim.
- If you have third party, fire and theft insurance the most we will pay is £250 after taking off any excess that applies to your claim.

Examples

- You have comprehensive insurance with a £100 excess. Your car stereo, which was not fitted by the car manufacturer and is worth £700, is stolen. You claim for the full cost of the stereo (£700). We take the £100 excess from your claim, which leaves £600. But we will pay £500, which is the policy limit on comprehensive cover.
- You have third party fire and theft insurance with £100 excess. Your car stereo, which was not fitted by the car manufacturer and is worth £200, is stolen. You claim for the full cost of the stereo (£200). We take the £100 excess from your claim, which leaves £100. So we will pay you £100.

We will also pay for loss or damage to any radio or other audio equipment which has been removed from your car if:

- the equipment is designed to be removed (or partly removed);
- the equipment cannot work without your car; and
- you have temporarily removed it from your car for security reasons.

Replacing children's car seats

If you have children's car seats fitted in your car and your car is involved in an accident or damaged as a result of fire or theft, we will pay up to £250 (after taking off any excess that applies to your policy) towards the cost of replacing them, even if they do not seem to be damaged. To be able to claim for your children's car seats, you must also provide evidence that your car has been damaged or stolen.

1 General

We will only provide the cover set out in this policy if you keep to all the terms and conditions of the policy.

2 Your duty

All the information given to us must be complete and correct as far as you know. You are responsible for making sure that information relating to all drivers the policy covers is complete and correct.

If we discover that you (or someone acting for you) deliberately gave us incomplete or false information, all cover under this policy will end. We will treat the policy as though it never existed and we will not pay your claim.

We may also recover any money we may have paid under this policy.

3 How to claim and how to tell us about claims which may be made against us

(In this condition only, you means you, your legal representative or anybody insured under this policy.)

You must not:

- admit an accident is your fault;
- negotiate to settle any claim; or
- offer or promise anything without our permission in writing.

We may, in your name, take over and deal with a claim and try to recover from others any money we have paid out under this policy. At all times you must give us whatever help we need. If the law of any country where you are covered by this policy says we must settle a claim which we would not otherwise have paid, we can ask you (or the person who caused the event) to pay us that amount.

If cover has started, we will refund you for the time that is left on the policy, providing a claim has not been made, or may be made on the policy.

If a claim has been made you must pay the full annual premium and you will not be entitled to any refund.

We or your insurance broker or intermediary can cancel this policy by sending you seven days' notice to your last known address. The reason for cancellation will be set out clearly in the communication with you. Valid reasons include, but will not be limited to, those listed below;

- Changes to the information detailed on your proposal, statement of insurance or statement of fact, schedule or certificate of motor insurance which result in us no longer wishing to provide cover.
- Where the circumstances of a new claim, or an incident we have become aware of, result in us no longer wishing to provide cover.
- Where we suspect fraud on this or any other related policy.
- Where you, a person acting on your behalf, or any person covered to drive the vehicle uses threatening, intimidating or abusive behaviour or language towards our staff, suppliers or agents acting on our behalf, including your insurance adviser.
- Where any person claiming cover under this policy fails to provide us with any reasonable information we ask for.
- Where a misrepresentation has been made that results in us no longer wishing to provide cover.

Conditions that apply to all of this policy - continued

- Where we are unable to collect a premium payment due to insufficient funds in the account you have nominated to pay from (notice will be sent to your last known address allowing you an opportunity to rectify the situation, and confirming that a second attempt to collect the payment will be made).
- Where we are unable to collect a premium payment due to a Direct Debit Instruction being cancelled (notice will be sent to your last known address allowing you an opportunity to rectify the situation by reinstating the previous Direct Debit instruction, providing a new Direct Debit instruction or by providing the full outstanding premium).

If you sell or get rid of your car, you must tell us immediately. All cover under this policy will stop unless you replace your car and give us its details within seven days of getting rid of your old car.

7 Settling disagreements

If we accept your claim under sections 2, 3, 4, 5, 7, 8 or 11 of this policy but we and you cannot agree the amount we should pay, we will pass the matter to an arbitrator to decide. The arbitrator is an independent person who we and you will appoint in line with the law in force at the time. You cannot take legal action against us before the arbitrator makes a decision.

8 Paying your premium

If you have not paid your premium, we will not provide cover from the date the premium was due.

If you claim under this policy and you are paying your premium under one of our credit schemes, we may take from your claim any amount you still owe us for the rest of the period your policy applies. The cover under this policy will continue until the renewal date unless your car is declared a total loss and you do not replace it or we do not agree to cover the replacement car.

9 Contracts (Rights of Third Parties) Act

Under the Contracts (Rights of Third Parties) Act 1999 or any other relevant laws, only you and we may enforce any of the terms of this policy. This will not affect any rights other people or organisations have under other laws.

10 Telling us about changes in your circumstances

Please tell us about any changes which may affect your cover. If you fail to do so, your policy may not be valid and we may not pay your claim.

For example, you must tell us if:

- you want to change the drivers insured under this policy;
- you move house or change the place you keep your car;
- you expect to do fewer or more miles each year;
- your name changes (for example, by marriage);
- your driving licence number (DLN) changes;
- you change your car or the owner of your car changes;
- you change what you use your car for (for example, you start using it for business purposes);
- you get a new job (full-time or part-time) or take on a second job;

- you make changes to your car (including fitting security devices); or
- you develop any physical or mental problem that affects your ability to drive.

This is not a full list. If you are not sure whether you need to tell us about a change in circumstances, tell us anyway.

Making a claim

If your car is involved in an accident or has been damaged or stolen, here's what to do.

We hope you'll find our service fast, efficient and friendly. Call OneCall on **0345 126 2596** (or **+44 23 8062 1982** if you are phoning from outside the United Kingdom) as soon as possible. You can do this at any time of the day.

You will need to tell us:

- your policy number or the number shown on your certificate of motor insurance;
- your personal details;
- the driver's personal details, if you were not driving your car; and
- full details of what happened, including the details of any other people or vehicles involved and any witnesses' names and addresses.

We will validate your claim and discuss with you how your claim will be progressed.

Getting your car repaired

If your car needs to be repaired, we have a network of approved repairers across the United Kingdom who can arrange to start work on your damaged car as soon as possible. Simply call OneCall and we will contact the nearest repairer to you. You do not need to get estimates for the repair because we already have agreements in place with our repairers.

We can arrange to collect your car from your home and return it to you once it has been repaired. When your car has been repaired, you will need to pay the repairer the excess and any contribution that may apply.

We have chosen repairers carefully to make sure you receive the highest standard of repairs and service.

All repairs carried out by repairers we approve are backed by a three-year warranty.

If you want, you can arrange for a repairer you choose to carry out the repairs. If you want to do this, you must send us a detailed repair estimate and full details of the accident before your repairer starts any work.

Temporary replacement car

For full details of this scheme, please read section 11 of this policy.

If your car is a total loss

If:

- your car cannot be repaired;
- the cost of the repair is more than the market value of the car and its accessories; or
- your car is stolen and not found;

we will call it a total loss and it will become our property. You must send us its registration document (V5 or V5C).

If it is possible to do so, we will immediately move your car to a place it can be stored, so please make sure you remove all your belongings from the car.

For reasons of safety and to prevent fraud, insurers actively discourage policyholders keeping a vehicle that has been declared a total loss, and future insurance on these vehicles may not be available.

Documents you must send us to claim for a total loss

Before we can deal with your claim, you must send us:

- your certificate of motor insurance;
- the vehicle registration document (V5 or V5C);
- the MOT test certificate (if applies);
- all sets of car keys;
- details of any money you still owe for the car; and
- any other documents you may want us to take into account when valuing your car (such as the car's service history).

If possible, please also send us the receipt for your car. This will help us deal with your claim faster.

Please send the documents to us direct so we can pay your claim as soon as possible.

We will contact you to agree the market value of your car.

From this value we will take off the amount of:

- any excess;
- any money you owe; and
- any premium you have not yet paid. You must still pay the full yearly premium because we have met all our responsibilities to you under the policy.

Making a claim - continued

If your car is stolen

If your car is stolen and is found, but it has been damaged, we will either repair it or treat it as a total loss as described above.

If the car is not found we will treat it as a total loss.

We place all claims for a total loss on a register shared by a range of insurance companies. This is to protect us against fraud.

Broken windscreens and glass

If you need to claim for a broken windscreen or broken glass, phone the Ageas Glassline on **0800 174 764** and show the repairer your current certificate of motor insurance when they repair the glass.

If you claim for a broken windscreen or broken glass, this will not affect your no claim discount as long as there is no other damage to your car (apart from any scratches on the bodywork caused by broken glass) and none of your belongings have been stolen from your car.

Glass damage can often be repaired but you need to phone our Glassline as soon as possible. If you do not get the damage repaired as soon as possible, the damage is likely to spread until a much more expensive and time-consuming replacement is needed.

If your policy does not cover windscreen damage, by calling our Glassline you may still qualify for a discount for standard items. However, you will need to pay the windscreen company in full when you get the windscreen repaired or replaced.

Personalised number plates

If your car is stolen and not found, or declared a total loss, you should contact the Driver and Vehicle Licensing Authority (DVLA) as soon as possible to transfer your number plate to a replacement car.

If you fail to do this, we may not be able to pay your claim as quickly as we normally would.

Claiming for 'uninsured losses'

When you make a claim, any costs which are not included under your policy (such as your policy excess) are known as 'uninsured losses'.

If you have an accident and it is not your fault, you may be able to claim these costs back from the other driver.

Before you contact the other driver or their insurers direct you must tell us that this is what you plan to do.

You may have separate insurance that pays the costs of claiming for your uninsured losses. Please check your policy documents.

The Ombudsman is an impartial complaints service, which is free for customers to use and taking your complaint to the Ombudsman does not affect your right to take your dispute to the courts.

Useful information

Protecting your car and belongings

Unfortunately, car crime is very common. However, you can help prevent car crime. It is a condition of your policy that you must do all you can to keep your car and its contents safe. If you do not do this, you may not be able to claim under this policy. We hope you find the following tips useful.

Close all windows, including the sunroof, when you leave your car – even if you are just leaving it for a short time.

Lock your car even if it is on your drive or in your garage or you are just leaving it for a short time (for example, at a petrol station). Do not forget to lock the boot.

Take the car keys with you. Never leave your keys in your car or leave the engine running, even if you are only leaving your car for a few minutes.

You should never leave your personal belongings on display in your car. If you cannot take them with you when you leave your car, lock them away in the glove compartment or boot.

Remove all radio, stereo and portable satellite-navigation equipment if possible when you leave your car.

Fit an alarm or immobiliser to your car and make sure you use it. Car thieves will often avoid cars that have an alarm or immobiliser. You can find out how easy a car is to steal or break into by logging on to the 'new car security rating' website at www.thatcham.org/security

If your car doesn't have an alarm or immobiliser fitted, you should consider fitting one approved by Thatcham, the Motor Insurance Repair Research Centre. You can find details of these devices at www.thatcham.org/security

Plan your journey to avoid having to stop in areas you don't know very well.

Park your car carefully. Where and how you park your car can be important for your safety and the security of your car. The 'Park Mark' safer parking award is given to parking areas if they achieve a standard of safety and security set by the police.

Log on to www.securedcarparks.com to find out where these car parks are.

If you can't find a secure car park:

- park in a well-lit area if you are parking at night; and
- if you are using a multi-storey car park, choose a space that is close to the exit and away from pillars.

Protect your alloy wheels by fitting locking wheel nuts approved by Thatcham.

At home, do not leave your car keys where a burglar can easily find them, such as on a hook or on a table.

Thieves often break into houses just to steal the car.

If you have a garage, use it and lock it.

For more information, visit the crime prevention officer at your local police station or visit <https://crimestoppers-uk.org/keeping-safe/>

Protecting yourself and your passengers

The following tips should help you make sure you and your passengers are safe.

Use head restraints. Whiplash injuries often result in many days of pain and suffering. Injuries such as whiplash currently cost British insurers over £1 billion a year and account for over 80% of the total cost of personal injury claims.

To prevent whiplash, adjust your head restraint so it is as close to the back of your head as possible (it is best if your head touches the restraint). The top of the restraint should be as high as the top of your head.

You and the people travelling with you should check the position of your head restraints before every journey.

The 'new car whiplash ratings' website, www.thatcham.org/what-we-do/safety/whiplash shows the ratings of head restraints in new cars available in the United Kingdom.

Remember, it's a head restraint – do not use it as a headrest.

Tiredness is thought to be a major cause of many road accidents. You should take a break for at least 15 minutes every two hours.

You should not use your mobile phone while driving. Making or receiving a call, even using a hands-free phone, can distract you from driving and could lead to an accident. It is now against the law to use a hand-held mobile phone. If you are caught, you could get three points on your licence and a £60 fine.

Wear seat belts. It is against the law not to wear a seat belt if one is fitted. Wearing a seat belt could keep you safe if you have an accident. Make sure you adjust the seat belt properly for your height and build.

The law provides a number of exemptions from wearing seat belts. These are based on medical and other reasons.

Please ask your doctor if you think you should not wear a seatbelt for medical reasons.

To be exempt for medical reasons, you must hold a 'Certificate of exemption from compulsory seat-belt wearing' issued by a qualified medical practitioner and you must show it to the police if they ask.

Child car seats

Since 18 September 2006, laws apply to protect children in cars.

For full details of the law, please go to

www.childcarseats.org.uk/law/ or phone the Department for Transport on **020 7944 8300**.

What to do if you have an accident

If you are involved in an accident or your car is stolen, call Onecall on **0345 126 2596** (or **+44 23 8062 1982** if you are phoning from outside the United Kingdom). Lines are open 24 hours a day.

The following guidelines will help us to help you with your claim.

1 Stop your car if you:

- have an accident with another vehicle;
- hit a pedestrian;
- hit certain animals (for example, farm animals or dogs); or
- hit another person's property.

It is against the law to drive away.

2 Exchange all details

Make sure you get:

- the names, phone numbers and addresses of everyone involved (including any witnesses);
- the details of their insurance companies (including names and policy numbers if the people know them); and
- the registration numbers of the cars involved.

3 Show your certificate of motor insurance

- If someone is injured in the accident, you must show your certificate of motor insurance to anyone who has a good reason for asking to see it.
- You must also tell the police within 24 hours of the incident, and also show them your certificate of motor insurance.

4 Do not admit the accident was your fault or offer any payment

Accidents are stressful, but it is essential that you do not:

- admit you are to blame; or
- offer to pay anything;

as it could be difficult for us to manage your claim and may also affect your rights.

Please tell us if any other person admits the accident was their fault.

5 Write down all the facts

Write down all the facts of the accident as soon as possible, no matter how trivial the fact may seem at the time – these facts may help us prove your case.

- If possible, take a photo of the scene. It is a good idea to carry a small disposable camera in your car at all times.
- If you do not have a camera, draw a diagram of the scene. Show as much detail as you can – for example, the position of all the cars involved (before and after the accident), road names, road signs and markings, the width of the road, skid

marks, where the witnesses were, and anything that was blocking your and other people's views.

- Write down what the weather was like, including whether it affected visibility (for example, fog) and the condition of the road.
- If anyone is injured, write down their name and their injury.

6 Letters and documents

You must send us all letters and documents you receive to do with the accident. Do not answer them yourself. Do not try to deal with any claim unless we have agreed this with you.

7 Theft

If your car or its contents are stolen, you must report it to the police as soon as possible.

8 Note

It will help speed up your claim if you have all your documents to hand when you make your claim, such as your:

- certificate of motor insurance;
- driving licence;
- vehicle registration document (V5 or V5C); and
- MOT test certificate (if it applies).

We will then guide you through the claims process.

To make a claim, phone Onecall on **0345 126 2596**.

It is important that you only use these numbers to claim.

To claim for broken glass, phone the Ageas Glassline on **0800 174 764**
