

# Commercial Guard - Homeworkers

## Policy Summary

This is a summary of the standard cover available under the Ageas Homeworkers insurance policy. The summary does not include all the policy benefits, limits and exclusions; full terms and conditions can be found in the policy wordings, copies of which are available from your insurance agent on request. The policies, and not this summary, are the basis of the contract of insurance.

The policy is an annual insurance contract which provides a wide range of covers for businesses as detailed below. It is underwritten by Ageas Insurance Limited.

Standard perils under the Material Damage and Business Interruption sections include fire, specified perils, theft and accidental damage, with subsidence, ground heave and landslip available on request. The sums insured you choose must represent the full values at risk; if they do not, payments may be reduced in the event of a claim.

**The standard cover may be varied to meet your individual needs and any variations from standard will be detailed in any quotation given and thereafter in the policy schedule.**
