## EVERYTHING – A REAL TONIC FOR GIN-MAKERS!

Yes, even gin and vodka manufacturers need to insure their equipment and their premises. It's hard to think of a trade or business or organisation that we're not covering now. From vegetable sellers, to cookery schools, to kitchen cabinet-makers – and, yes, even manufacturers of traditional kitchen sinks!

Every business faces new challenges and different risks, every day. We're offering comprehensive commercial cover to them all. Whoever you're working with, whatever they're doing, why not give us a call?

We probably have a great policy that meets their insurance needs already. Take a look at just some of the trades we've underwritten recently, you might be surprised at what we offer. The 'proof' is in the value of our policies!
