

# COMMERCIAL TRADES UPDATE – JUNE 2020

## STAYING IN TOUCH WITH CUSTOMERS OLD AND NEW

Renewals are happening all of the time via video, via email and over the phone. While you're talking to current customers, it's always good to listen in for prospective new contacts – their suppliers or neighbours perhaps.

These examples might spark an idea of who you could be working with next – from fish processors to beer wholesalers...

Our teams handle all kinds of enquiry, we're well-prepared to answer COVID-19 questions. Whatever business your customers are in, we're likely to have a great policy for their insurance needs. Give us a call. You might be surprised...
